**Bear Mountain Park Unveils Renovated Baseball Fields**

*Donations from Local Groups Make A Community Vision a Reality*

Years ago, communities won a “[good-neighbor agreement](#)”, which would provide investments that would go directly back to the community amongst other things. Those funds have helped provide new lights in the parking lot and playground at Bear Mountain Park and now have resulted in upgraded baseball fields. The event is open to the public, and the community will gather on Friday to celebrate the fruits of their labor.

**WHAT:** Grand Reopening of Bear Mountain Park following the renovation of local baseball fields.

**WHEN:** Friday | August 13, 2021 | 7 PM PST

**WHERE:** Bear Mountain Park | 10300 San Diego St, Lamont, CA 93241

**WHO:** Comité Progreso de Lamont, Committee for a Better Arvin, Center on Race, Poverty & the Environment, Bear Mountain Recreation and Park District, Recology Blossom Valley Organics, along with members of the public.

**WHY:** After years of community advocacy by Comité Progreso de Lamont and Committee for a Better Arvin, with assistance from the Bear Mountain Recreation and Park District and Recology Blossom Valley Organics, the Bear Mountain Park baseball fields have been renovated and provide a local hub for the community to gather and enjoy the outdoors. Community investments have always been a priority for local groups and this win belongs to the organizers and advocates in Lamont and Arvin.
